OUR CORPORATE PARTNER

INTERNATIONAL INDUSTRY VISIT

Industrial visits are now an integral part of the curriculum of many graduates and post-graduate courses. This gives an improved exposure to the real-world working of the companies and allows students to expand their horizons of understanding. Industrial visits allow students to interact and meet with industry experts like leaders, entrepreneurs, policymakers, professionals, corporates, etc. and learn from them while forming valuable networks. These experiences help students learn and develop important skills and qualities that help them advance in their careers.
